Back to School Savings!

Dragon NaturallySpeaking 10 Preferred allows you to create email, documents and spreadsheets - all by voice! Most people speak over 120 words per minute, but type less than 40 words a minute. Now you can use your voice to create documents, send email, instant message and more - 3X faster than typing. Dragon is 99+% accurate and never makes a spelling error - every student's dream! Think of the time you'll save!

PDF Converter Professional 5 \$69.99

PaperPort 11 \$49.99

OmniPage 16 \$79.99

PDF Converter Professional 5 delivers everything you need to create, convert, and edit PDF files. Using the intuitive interface you'll be a PDF expert in no time.

PaperPort 11 uses your computer and scanner together to turn piles of paper and photos into organized files. Save time and money with the security of knowing that important documents and photos will never be lost.

OmniPage Standard 16, the world's most accurate OCR software, allows you to turn paper and PDF documents, that would take hours to re-type and layout, into perfectly formatted, fully-editable documents in seconds.
